

Investment Performance

This report provides historic performance for investment options available through TAL Life Insurance Services Limited investment products as at 30 June 2023. The results may be different to the investment performance return shown on your annual statement, which takes into account your individual account management cost, tax and timing of transaction in your account.

Important information

These products are closed to new investors.

This Investment Report is provided by TAL Life Insurance Services Limited, ABN 31 003 149 157, AFSL 233728 (TLISL).

TLISL is part of the TAL Dai-ichi Life Australia Pty Limited ABN 97 150 070 483 (TAL) group of companies. The obligations of TLISL are not guaranteed by any other company within the TAL Group. Except as otherwise stated, TLISL and its related bodies corporate do not guarantee the repayment of capital invested in or the investment performance of any of the products or funds referred to in this Investment Report. These investments are not a bank deposit or other bank liability and are subject to investment risk including possible delays in repayment and loss of the interest and principal invested.

Please note that unless stated otherwise, no guarantee is given by TLISL that the objectives of any of the investment products or funds will be achieved. Past performance is not a reliable indicator of future performance. The value of an investment may rise or fall with the changes in the market. However, for the funds marked with an asterisk, TLISL guarantees that the unit price will not fall.

The information contained in this Investment Report is of a general nature only and has been prepared without taking into account your financial situation, needs or objectives. You should consider the appropriateness of this information having regard to these things before making any investment decision. Your financial adviser can help you in relation to your investment decisions and can tailor a financial plan that is appropriate for you.
